

Certified Irish Angus Schools Competition winners

Congratulations to our students Padraig Kinsella, Caoimhe Horan, Caoimhe Crean and Eoin Kelly who were crowned overall winners of the Certified Irish Angus Schools Competition 2022 in Croke Park on Friday April 1st. The successful team initially entered the competition during transition year and progressed through each level of the competition, including video presentations, in-person presentations, interviews and finally a project. Their final project on the Environmental, Economic, and Ethical benefits of producing Certified Irish Angus beef wowed the judges and secured them the 2022 crown. Well done Caoimhe, Eoin, Padraig and Caoimhe.
